Dear Friends of NCCAP,

I am pleased to share with you the following opportunities to present your valuable products and services to our members and others professionals during our 2018 Symposium from June 21-23, 2018 in our hometown of Virginia Beach, Virginia.

Our Symposium targets up to several hundred NCCAP-certified members and instructors as well as the broader community of professionals and consultants providing therapeutic interventions to the aging population.

Your materials and presence are a great resource for our members and attendees. Ample time and opportunities are provided for Vendors to engage directly with those who are eager for the latest and best-in-class products and services.

We look forward to welcoming you to our 2018 Symposium. Please contact me with any questions or recommendations.

Sincerely,

Peter J. Illig, Esq., CEO

About NCCAP

Since its inception in 1986, NCCAP has been at the forefront of quality of life and activity training and certification for the care of seniors. Mandated by the US Federal Register, these services are critical to the physical and mental well-being of the aging population. Recognized by the Centers for Medicare and Medicaid Services (CMS), NCCAP continues to set standards, provide educational opportunities and maintain strict credentials that address the changing needs of the aging industry and those for whom they care. Whether traditional Nursing Homes and Assisted Living Communities, Adult Day Centers or care provided to someone aging-in-place, NCCAP works to ensure the highest standards of care are met.
